

## Titanium Dioxide (TiO<sub>2</sub>) Nanopowder, Anatase

Cat. No. NMP-1054P

Lot. No. (See product label)

|                                    |                                                          |
|------------------------------------|----------------------------------------------------------|
| <b>Cat.No</b>                      | NMP-1054P                                                |
| <b>Product Name</b>                | Titanium Dioxide (TiO <sub>2</sub> ) Nanopowder, Anatase |
| <b>Common Name</b>                 | Titanium Dioxide (TiO <sub>2</sub> ) Nanopowder, Anatase |
| <b>Synonyms</b>                    | Titanium Dioxide (TiO <sub>2</sub> ) Nanopowder, Anatase |
| <b>Morphology &amp; Appearance</b> | Powder                                                   |
| <b>Size</b>                        | APS:20nm                                                 |
| <b>Purity</b>                      | >99.9%                                                   |
| <b>Storage</b>                     | Store at room temperature                                |
